TO ALL FRIENDS  
of this

" ONE WRITING FOR ONE WORLD "

The time has come for an approach to you. More and more scholars and laymen become interested in Semantography. They write to me and ask for more information. I send them my leaflets and brochures. In addition, I keep on approaching and informing institutions and organisations. I have spent my savings and my earnings on this work. Now, the volume of the expenses overwhelms me.

In order to keep you informed from time to time, in order to carry on this pioneering work, I ask you for your kind help. Financial assistance for this work, means in the words of BERTRAND RUSSELL "performing an important Service to Mankind".
