BLISS' WORK

may prove the greatest social innovation of modern time. It has been praised by eminent scholars. Some of its fantastic aspects are:

1. A simple symbol writing, typing, and printing for communication, commerce, industry and science, that can be read in all languages — without translation.
2. A simple symbolic logic which even children can learn to use in their daily problems.
3. A simple semantics for recognising the dangerous words of demagogues and dictators in the homes and nations.
4. A universal natural ethics encompassing all religions.
5. The biochemical discovery that cells act ethically in all creatures.
6. The archeological discovery that old stone age man was not a killer of his fellow-man. Cannibalism and war began with new stone age man by the introduction of dangerous words.

To Mrs Golda Meir,
Prime Minister,
and To the Members of the Knesset
JERUSALEM, Israel.

Dear Mrs Meir, dear Members of the Knesset,

I am a fiddler from the roofs of Eastern Europe, who literally with his tunes fiddled his way out of Dachau and Buchenwald. Now let me scratch out on my fiddle a little tune which will be sweet music in Arab ears and lasting PEACE for Israel. And for this tune we have illustrious precedents as for instance:

Russia sold Alaska to the U.S.A. to the tune of France sold Louisiana to the tune of So did the Ottomans with the Bukowina (my Austrian homeland) to the tune of never mind, it was a fortune in those days.

If an American consortium of banks (with the underwriting of American Jewry) would pay out a lump sum - never mind how much - to whom? To the poor Arab Families in all countries surrounding Israel and in Israel too, who will get a pack of Dollars into their pockets for selling what? For the wastelands (meaningless to them) of the Golan Heights, the Jordan Heights, the Gaza Strip, ramshackle old Jerusalem and Sharm-el-Sheik.

The Arab leaders WOULDN'T DARE to oppose this plan, because it means money into the pockets of every poor Arab family.

And Israel wouldn't need to waste gigantic sums on bombs and bombers. Instead, Israel would become the economic Center of the Middle East, and the Peace Center of the whole World.

I suggest you publish this proposal - and then watch how every Jew in the whole World will be delighted to contribute to this, THE ONLY SOLUTION TO LASTING PEACE BETWEEN JEWS AND ARABS. I am,

Yours sincerely,

Kasiel (Jekuthiel) Bliss.
